

Taillight Enclosure

Arnite® T AM1210 (P) PBT powder

Somos® Waterclear Ultra 10122

CHALLENGE

- Produce small series and customized cars
- Develop new products quickly
- Functional parts printing require materials that provide the right set of properties – temperature or moisture resistance, optically clear, etc.

SOLUTION

- Arnite® T AM1210 PBT powder for housing
- Somos® Waterclear Ultra 10122 for cover

BENEFITS

- Fast product development & prototyping
- Cost-effective small series and customized car production
- Sustainable material solution for sustainable manufacturing
